Company Overview

Mahmoud Al Sahl

- At Mahmoud Al Sahli Company, our mission is to deliver innovative, sustainable, and high-quality solutions in construction, contracting, and industrial services.
- Our vision is to become a leading name in the construction and industrial services sector, recognized for our unwavering commitment to quality, innovation, and customer satisfaction.

ABOUT US

Mahmoud Al Sahl

Reasons for collaborating with our company?

Mahmoud Al Sahli Company is a trusted name in the construction and contracting industry, delivering a comprehensive range of services across civil, mechanical, electrical, and industrial sectors. With a commitment to excellence and innovation, we specialize in infrastructure development, mechanical works, industrial support services, and manpower and material support.

Since our inception, we have built a reputation for reliability, precision, and professionalism. Our team of highly skilled professionals and engineers leverages advanced technology and industry best practices to provide tailored solutions that meet the unique needs of each client. From large-scale infrastructure projects to specialized industrial support services, we ensure every project is executed with the highest standards of quality and safety.

At Mahmoud Al Sahli Company, we pride ourselves on being more than just a service provider. We are a partner in progress, dedicated to fostering long-term relationships with our clients by delivering exceptional value and ensuring their success. With a forward-thinking approach and a passion for innovation, we continue to contribute to the development of communities and industries across the region.

Areas of Expertise

Mahmoud Al Sahl

Civil Works

- Our dedicated team of civil engineers and construction experts guarantees flawless site preparation, structural development, and infrastructure building.
- Excavation and Backfilling
- Roof Waterproofing
- Asphalt and Road making
- Concrete repair and Rehabilitation
- HDPE Liner Works
- Industrial Coating works
- Road Marking works
- Landscaping works
- Concrete Works

Piping Works

- Fabrication, Prefabrication, Installation, erection, commissioning and hydro testing of various sizes of Piping including , compressed air networks , hot water, chilled water , steam and other gas piping
- Welding Includes SMAW, GTAW, TIG ,MIG FCAW. Our detailed services includes
- GRP, pipe installation
- Butt & Strap Joint
- Double Bell Coupling joint.
- Flange Joint
- HDPE installation both AG & UG
- FRP Tank Installation both AG & UG

Rental Manpower Support

- Mahmoud Al Sahl Management rest assured that all employees are certified, qualified, well experienced and professionally equipped that ready to take new challenges and opportunities in all fields of work.
- Mahmoud Al Sahl workforce trust and believe that any work should have proper execution and right technical specification for positive result . AISCO provides different categories of Manpower Support to our clients.

Civil and Piping Works with Rental Manpower support

Areas of Expertise

Mahmoud Al Sahl

Electrical & Instrumentation Work

- Mahmoud Al Sahli performs several projects in Electrical jobs. From power work to lighting fixtures and for the communication system of the entire building, the company takes note of its step-by-step process to ensure accurate and proper implementation of the project as stated in the drawing and project design

Rental Equipment Support

- Rental fleet includes some of the latest models from the leading manufacturers, all kept in the best possible conditions through a rigorous maintenance program. To meet dynamic requirements and with reliability in mind, our equipment can be provided at Competitive rental rates and Daily/Weekly/Monthly intervals.

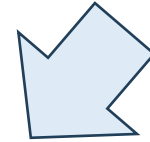

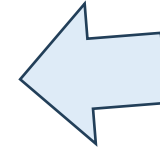

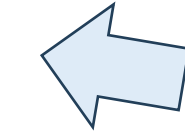

Material Supply Support Services

- Mahmoud Al is serving the Oil, Gas, Power, Water and other diverse industrial sectors within the Kingdom of Saudi Arabia by procuring and supplying products and services produced/offer by leading international manufacturers, vendors and suppliers.
